Boo's Beard

Rose Mannering

Boo's Beard Rose Mannering

Tom can't read facial expressions, so he doesn't understand the other children and they don't understand him. Playing at the park can be lonely sometimes, but luckily Tom has his dog, Boo, and Boo is easy to understand. She wags her tail when she is happy and whines when she is sad.

One day, Boo gets her beard all knotted up in the bushes. A little girl named Lydia sees Boo and stops to talk to Tom. Boo's beard has been tangled into a big smile, and Lydia explains to Tom that it's the expression that someone makes when she is happy. She twists Boo's beard into more expressions, explaining each one as she goes. When Lydia invites Tom and Boo to play on the swings with the kids, Tom and Boo join her. And at the end of the book, Tom understands the meaning of his own smile.

This sweet book familiarizes children with social disabilities, such as autism and Asperger's syndrome. Children learn the meaning of facial expressions and are introduced to the possibility that some children may have difficulty interacting with them.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

From reader reviews:

Andrew Martin:

As people who live in typically the modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era that is certainly always change and advance. Some of you maybe may update themselves by studying books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Boo's Beard is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Raymond Nelson:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Having book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their reader with their story or even their experience. Not only the story that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some investigation before they write to their book. One of them is this Boo's Beard.

Thomas Busch:

In this era globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The actual book that recommended to you is Boo's Beard this publication consist a lot of the information on the condition of this world now. This particular book was represented just how can the world has grown up. The words styles that writer use for explain it is easy to understand. The particular writer made some analysis when he makes this book. This is why this book ideal all of you.

James Rohrbach:

Many people said that they feel weary when they reading a e-book. They are directly felt this when they get a half parts of the book. You can choose typically the book Boo's Beard to make your personal reading is interesting. Your own personal skill of reading expertise is developing when you similar to reading. Try to choose basic book to make you enjoy to see it and mingle the idea about book and studying especially. It is to be initial opinion for you to like to open up a book and read it. Beside that the book Boo's Beard can to be your new friend when you're experience alone and confuse in what must you're doing of that time.
