City of Secrets

John Follain

City of Secrets John Follain

On the night of Monday, May 4, 1998, in Vatican territory, the bodies of the commander of the Swiss Guard, his wife, and a young lance corporal were found in the barracks of the picturesque force entrusted with protecting the pope. It was the worst bloodbath to take place in more than a century in the heart of the supreme authority of the world's one billion Catholics. Four hours later, the Vatican announced that the lance corporal, twenty-three-year-old Cédric Tornay, had shot the couple, then committed suicide in "a fit of madness" brought on by frustration with the unit's discipline -- a conclusion it reaffirmed after a nine-month internal inquiry.

But as John Follain's hard-hitting exposé shows, the official report was a travesty, a tissue of suppositions, contradictions, and omissions. Based on an exhaustive three-year investigation, *City of Secrets* reveals how the Vatican, the oldest and most secretive autocracy in the world, staged an elaborate plot to obstruct justice -- and hide the scandals it dared not confess.

From reader reviews:

Elaine Rode:

With other case, little persons like to read book City of Secrets. You can choose the best book if you want reading a book. Provided that we know about how is important the book City of Secrets. You can add knowledge and of course you can around the world by way of a book. Absolutely right, because from book you can realize everything! From your country until foreign or abroad you will be known. About simple factor until wonderful thing you are able to know that. In this era, you can open a book or maybe searching by internet device. It is called e-book. You should use it when you feel weary to go to the library. Let's read.

Dorothy Payne:

As people who live in the actual modest era should be up-date about what going on or details even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to an individual is you don't know which one you should start with. This City of Secrets is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Federico Hayward:

Information is provisions for those to get better life, information nowadays can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is in the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take City of Secrets as your daily resource information.

Ryan Moore:

Are you kind of active person, only have 10 or maybe 15 minute in your day time to upgrading your mind talent or thinking skill also analytical thinking? Then you are having problem with the book as compared to can satisfy your small amount of time to read it because this all time you only find publication that need more time to be read. City of Secrets can be your answer as it can be read by you who have those short spare time problems.
