El Poder y la Gloria

David Yallop

El Poder y la Gloria David Yallop

Juan Pablo II Fue uno de los personajes más carismáticos de la segunda mitad del siglo XX. Tras una carrera meteórica en el seno de la Iglesia, se convirtió en papa de forma sorprendente a la muerte de su antecesor Juan Pablo I. Entonces comenzó uno de los más largos pontificados de la historia, caracterizado por los numerosos viajes de Wojtyla y por su enorme exposición a los medios de comunicación, pero también por coincidir en el tiempo con algunos sucesos históricos fundamentales como el fin de la guerra fría y el derrumbe del comunismo.

Como ya hizo en su polémico libro sobre la muerte de Juan Pablo I, *En Nombre de Dios*, el escritor y renombrado investigador David Yallop se aparta de nuevo de la historia oficial y del ensalzamiento gratuito, para diseccionar la figura y el legado de Karol Wojtyla. Con abundancia de datos y testimonios de la CIA, la KGB y de los mismos miembros de la curia vaticana, el libro reconstruye un pontificado tan grandioso en sus propósitos como corto en sus resultados. Yallop atribuye este desequilibrio a un estilo excesivamente personalista y a los grandes tropiezos—su incapacidad para abordar el problema de la corrupción de las finanzas vaticanas, su pasividad a la hora de denunciar y de enfrentarse a los casos de abuso sexual protagonizados por eclesiásticos y su férrea obstinación en rechazar las reformas solicitadas por millones de fieles y por una parte significativa del clero—que ensombrecieron su trayectoria.

El Poder y la Gloria es una mirada audaz e intrépida a un hombre rápidamente encaminado a la santificación y su profundo efecto en un instituto sumamente polarizado.

From reader reviews:

Reginald Hunter:

This El Poder y la Gloria tend to be reliable for you who want to be a successful person, why. The main reason of this El Poder y la Gloria can be one of several great books you must have is giving you more than just simple looking at food but feed an individual with information that possibly will shock your earlier knowledge. This book is actually handy, you can bring it everywhere you go and whenever your conditions in the e-book and printed versions. Beside that this El Poder y la Gloria forcing you to have an enormous of experience for example rich vocabulary, giving you tryout of critical thinking that we all know it useful in your day task. So , let's have it and luxuriate in reading.

Brian Nelson:

People live in this new day time of lifestyle always try and and must have the extra time or they will get great deal of stress from both way of life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not really a robot. Then we request again, what kind of activity do you have when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading books. It can be your alternative inside spending your spare time, the book you have read will be El Poder y la Gloria.

Suk Barry:

This El Poder y la Gloria is great guide for you because the content which is full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can point out no rambling sentences in it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with splendid delivering sentences. Having El Poder y la Gloria in your hand like getting the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen minute right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt that?

Richard McCormick:

Do you like reading a e-book? Confuse to looking for your best book? Or your book ended up being rare? Why so many query for the book? But any kind of people feel that they enjoy for reading. Some people likes looking at, not only science book but novel and El Poder y la Gloria or maybe others sources were given information for you. After you know how the great a book, you feel need to read more and more. Science publication was created for teacher as well as students especially. Those books are helping them to increase their knowledge. In different case, beside science reserve, any other book likes El Poder y la Gloria to make your spare time a lot more colorful. Many types of book like this.
