**What happens to those who are left behind in the turbulent breakup of failed love and romance? A new novel from book club favorite, Suzetta Perkins.**

The transition from despair to satisfaction is an emotional, and yet often hilarious road to bump along. *Ex-Terminator* brings a fresh view to life after divorce as four women and a man struggle to move beyond their feelings of loss, failure, and abandonment, in order to establish a sense of normalcy and discover who they really are again.

Can new love be found, even while the old still lingers and haunts everyday thoughts and actions? As these brokenhearted people form a support group to shore each other up in the midst of their stormy lives, little do they know how much they will come to mean to one another, or how each one will be changed by the healing they discover.
