Her Dark Inheritance

Mrs. E. Burke Collins

Her Dark Inheritance Mrs. E. Burke Collins

A night of storm and tempest, the wind blowing a perfect gale; and above its mad shrieking the sullen roar of the ocean, as it beat against the shore in angry vehemence, recoiling with wrathful force, as though to gather strength for a fresh onslaught. The little town of Chester, Massachusetts, near the beach, lay wrapped in gloom and darkness, under the lowering midnight sky, "while the rains descended and the floods came." It was a terrible night, that tenth of November. One man was destined to remember that night as long as he lived. Alone in his dingy little office, Doctor Frederick Lynne sat, absorbed in the contents of a medical journal, his grave face bent over the printed page upon which his eyes were fixed with eager interest, while the moments came and went unnoticed. He closed the journal at last with an impatient gesture, and pushed it aside. Arising slowly to his feet—a tall, dark, elderly man, with a troubled, anxious expression—he went slowly over to the bright wood-fire which burned upon the broad hearth, and stood gazing down into the bed of rosy coals, the anxious look deepening in his eyes. A poor country physician, with a wife and child depending upon his exertions, he found the struggle for subsistence growing harder every day.
