## **I Fiori Australiani (Italian Edition) Daphne & Cloe**

I Fiori Australiani Bush (Australian Bush Flower Essences) sono a oggi 69 più 19 Essenze create dalla combinazione di Fiori Australiani e sono stati introdotti da Ian White, biologo e psicologo australiano. Non sono ancora molto conosciuti e utilizzati in Italia dal grande pubblico, ma sono molto apprezzati dai Floriterapeuti e troviamo Fiori Australiani inseriti in molti complessi fitopreparati e omeopatici. Sono tra i fiori più potenti e di largo impiego dopo i Fiori di Bach, hanno un'energia molto elevata, una delle più alte tra i rimedi floreali. Gli Aborigeni australiani hanno sempre utilizzato i Fiori per trattare i disagi o gli squilibri emozionali, così come avveniva nell'antico Egitto, in India, Asia e Sud America. Si tratta di un continente incontaminato, carico di antica energia. Attualmente, l'Australia sta conoscendo un momento di nuova e pervasiva vitalità energetica che, combinata con le innate potenzialità rigenerative della Terra, fa delle Essenze Australiane dei rimedi unici. I fiori australiani esistono in commercio in essenze concentrate da 15 ml. Per preparare una miscela si versano sette gocce di ognuna delle essenze delle stock bottle scelte, in una boccetta con contagocce da 30 ml.; si aggiunge un quarto di brandy (serve solo come conservante e può essere sostituito dall'aceto di mele aumentando la dose) e 3/4 di acqua minerale naturale.
