## **Ireland's Suffragettes: The Women Who Fought for the Vote** Sarah-Beth Watkins

Ireland's Suffragettes is a collection of biographical essays introducing the suffragettes who influenced Ireland's struggle for women's rights. Many of the women were political activists while others became militant suffragettes between 1912 and 1914. The struggle of the suffragettes is different to that of the UK, in that many Irish suffragettes were also included in the struggle for independence and the inclusion of women in the trade unions movement. Drawing on primary sources located in the National Archives and the National Library, Ireland's Suffragettes will bring to life not only the most famous names in the suffragette movement but also the other women who made women's rights their lives work.
