**This book is specially designed in Amazon's fixed-layout KF8 format with region magnification.**

**Double-tap on an area of text to zoom and read.**

An artful mixture of fantasy and reality, humor and heart, *Maya Was Grumpy* celebrates the power of imagination and humor to improve moods. Maya wakes up on the wrong side of the bed, tangled in her blanket, and in a crispy, cranky, grumpy, grouchy mood. She doesn't want to color or wear her favorite shorts or go outside to play. What's worse, she's determined to share her grumpiness with everyone as she grumps, clumps, and thumps around the house. But when Maya growls at her grandmother, she graciously takes Maya's mood in stride, and even has a solution: Gramma suggests a series of unusual activities that Maya will probably *not* want to do since she's feeling grumpy—and then dismisses her own silly suggestions before Maya can reject them. Children will find it hard to keep from smiling as they watch Maya's grouchiness dissolve into glee at Gramma's giggle-inducing ideas, while adults will find Gramma's clever tactic a useful strategy to add to their repertoire when kids are grumpy.
