Constructive Ways to Handle Destructive Emotions

We all struggle with angry feelings, brought on by tension, pressure, and the blocked goals and frustrations of day-to-day life. The broken and stressed relationships that result from these feelings can overwhelm us. But now there's help.

Well-known teacher and speaker Chip Ingram teams up with psychologist and author Dr. Becca Johnson in this encouraging and practical book to show how many emotions both lead to anger and follow from it. Their message is clear: as we deal with anger, we deal with the primary cause for all destructive emotions.

With the help of this useful book, you too can overcome those emotions that destroy.
