## **The Seamstress** Sara Tuval Bernstein

"From its opening pages, in which she recounts her own premature birth, triggered by terrifying rumors of an incipient pogrom, **Bernstein**'s tale is clearly not a typical memoir of the Holocaust. She was born into a large family in rural Romania?and grew up feisty and willing to fight back physically against anti-Semitism from other schoolchildren. She defied her father' s orders to turn down a scholarship that took her to Bucharest, and got herself expelled from that school when she responded to a priest/teacher' s vicious diatribe against the Jews by hurling a bottle of ink at him?After a series of incidents that ranged from dramatic escapes to a year in a forced labor detachment, Sara ended up in Ravensbruck, a women' s concentration camp, Aand? managed to survive?she tells this story with style and power." --**Kirkus Reviews**
