Uptown Thief

Aya de León

Uptown Thief Aya de León

In this sexy, heart-stopping tale, one smart, sizzling mami robs the rich and protects the exploited--until one heist too many puts everything at stake. . .

Marisol Rivera barely survived being abused with nowhere to turn. So there's *nothing* she won't do to keep her Lower East Side women's health clinic open and give disadvantaged women new lives. Running an exclusive escort service for New York City's rich and powerful 1 percent is the perfect way to bankroll her business--not to mention the perfect cover for robbing corrupt CEOs. And when times get even tougher, pulling a heist on a mega-billionaire will secure the clinic's future--and her gorgeous crew's--for good. . .

There's just one problem: Marisol didn't anticipate bad news even more dangerous than her curves. A seductive ex-cop who's too close for comfort, and a powerful thug with a score to settle, are turning Marisol's precise planning and seductive fail-safes into insidious traps. Now this beautiful modern-day Robin Hood will have to play some lethal wild cards without rules or limits to save those she loves--and live to steal another day. . .

From reader reviews:

Harry Anderson:

Book is to be different for every single grade. Book for children until adult are different content. We all know that that book is very important for all of us. The book Uptown Thief was making you to know about other information and of course you can take more information. It is extremely advantages for you. The book Uptown Thief is not only giving you considerably more new information but also to be your friend when you sense bored. You can spend your own spend time to read your guide. Try to make relationship together with the book Uptown Thief. You never really feel lose out for everything should you read some books.

John Lambeth:

People live in this new moment of lifestyle always aim to and must have the spare time or they will get lot of stress from both way of life and work. So , once we ask do people have time, we will say absolutely without a doubt. People is human not a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative inside spending your spare time, the actual book you have read is usually Uptown Thief.

Rudy Hendren:

This Uptown Thief is completely new way for you who has intense curiosity to look for some information because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or you who still having tiny amount of digest in reading this Uptown Thief can be the light food to suit your needs because the information inside that book is easy to get simply by anyone. These books develop itself in the form which can be reachable by anyone, that's why I mean in the e-book web form. People who think that in guide form make them feel sleepy even dizzy this guide is the answer. So there is not any in reading a guide especially this one. You can find what you are looking for. It should be here for you. So , don't miss it! Just read this e-book type for your better life in addition to knowledge.

Jennifer Lewis:

As we know that book is vital thing to add our information for everything. By a reserve we can know everything we would like. A book is a set of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This publication Uptown Thief was filled regarding science. Spend your free time to add your knowledge about your research competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like at this point, many ways to get book which you wanted.
