Country Style is associated with simple, natural comforts--the warm glow of a winter fire of floral fabrics swaying in a cool summer breeze at an open window. As Liz Bauwens and Alexandra Campbell show, these are features that can be recreated in all types of home. Every room can be given its own taste of rustic charm: the kitchen made warm and comfortable, the bedroom soft and romantic, the living room natural and tranquil. With chapters looking at ways of bringing the country into a city home, creating a relaxed kitchen, and choosing colors and fabrics, "Easy Cottage Style" shows you how easily traditional styles can be transformed to enhance relaxed modern living. - Learn how to give your interiors comfort and warmth with fabrics, colors and materials normally found far from the city. - Includes easy-to-follow projects for country-inspired furnishings and decorations. - Exquisite photography by Simon Brown
