## Rethinking God: Undoing the Damage Scott Munger

DR. MUNGER CHALLENGES READERS TO **RETHINK** THEIR CONCEPT OF GOD.

**After twenty years of focused overseas, an American missionary looks home.**

Dr. Scott Munger applies to his own people, especially to fellow evangelicals, his experience in culture, language, and the Bible. **Their often distorted picture of God saddens him.** The loving One who woos humanity, the sovereign One who chooses to risk and be wounded, is wrongly perceived on both sides of a growing cultural rift. God is often seen as an omnipotent egotist and angry legalist, brooding plotter, agent of hucksters and buffoons, an irksome meddler. His image, dark and contorted, is becoming increasingly unlovable. **We who claim to follow Him do much harm**-His "name is blasphemed among the Gentiles" because of us (Romans 2:24).

**Rethinking God: Undoing the Damage** transcends the cultural divide by exposing common distortions of the great, grieving lover. The book starts by establishing the nature and validity of faith. Firsthand stories from the former USSR vividly portray atheism as the foil. Later, key areas are introduced that most often damage God's reputation: church leaderships, practice, and political involvement; distorted theology; the problem of evil; the fate of people who never hear the gospel; and our understanding of Jesus. Ultimately, **Dr. Munger challenges Christians to sift their unquestioned assumptions**, and he gives honest reason and courage to look again at the beauty of humanity's source and only hope.
