## **The Browning Version (NHB Modern Plays)** Terence Rattigan

Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived.

Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of *Agamemnon* – a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity.

This edition also contains *Harlequinade*, a farce about a touring theatre troupe, written to accompany *The Browning Version* in a double-bill under the joint title, *Playbill*. The plays are presented with an authoritative introduction, biographical sketch and chronology by Dan Rebellato.
