Aligned with the Common Core, this book enables teachers and librarians to develop lessons and workshops as well as to teach high school students how to research and write a humanities paper using a guided inquiry approach.

- Presents 20 workshops that provide deep detail in humanities study, interrogation of sources, note taking, and developing the research question
- Includes teachers' practicums that explain guided inquiry and humanities study
- Explains methods that will enable students to learn how to interrogate drama, photos, art, artifacts, garments, music, political cartoons, speech, fiction, and nonfiction
- Describes the Information Search Process within the structures of a step-by-step workshop environment that serves both research and writing
