Caesar's Conquest of Gaul: The Illustrated Edition (Military History from Primary Sources) Bob Carruthers

The Gallic Wars were a series of military campaigns waged by the Roman proconsul Julius Caesar against several Gallic tribes. They lasted from 58 BC to 50 BC and culminated in the decisive Battle of Alesia in 52 BC, in which a complete Roman victory resulted in the expansion of the Roman Republic over the whole of Gaul. The wars paved the way for Julius Caesar to become the sole ruler of the Roman Republic.??Although Caesar portrayed this invasion as being a preemptive and defensive action, most historians agree that the wars were fought primarily to boost Caesar's political career and to pay off his massive debts. Still, Gaul was of significant military importance to the Romans, as these had been attacked several times by native tribes both indigenous to Gaul and further to the north. Conquering Gaul allowed Rome to secure the natural border of the river Rhine.??The Gallic Wars are described by Julius Caesar as himself in this book, which was originally titled *Commentarii de Bello Gallico*, it is a pertinent and only slightly tendentious and altogether the most important historical source regarding the conflict. This updated edition contains the translated text and various illustrations depicting Roman warfare and key moments in Caesar's journey.

Billy Benitez:

The reason why? Because this Caesar's Conquest of Gaul: The Illustrated Edition (Military History from Primary Sources) is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will jolt you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to delay having that book? If I ended up you I will go to the reserve store hurriedly.

Joseph Esparza:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing

reading seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Caesar's Conquest of Gaul: The Illustrated Edition (Military History from Primary Sources) can make you feel more interested to read.
