Compact Living Jane Graining

If only I had an extra bedroom...bigger closets...a larger kitchen...more storage! We all want more space, but frankly, the size of our home is restricted by what we can afford. And what people can afford these days is getting smaller and smaller.

Compact Living lets you expand your space without moving. Room by room, this book reveals how to achieve stylish results on any budget. It contains over 300 color photographs of real homes designed by architects who bring verve and style to tiny areas.

Urban dwellers, who often live in closets called "apartments," will appreciate advice on how to best utilize wall and floor space, lighting, and color. Problem areas can be transformed by planning inventively, cheating perspective, and playing with new technology. The book also includes unusual diminutive country homes, and sheds and beach huts that have been transformed into vacation homes, home offices, or playrooms.

The simplicity of a tiny home really can be an advantage, and *Compact Living* shines as an inspiring guide to the possibilities of a small space.
