## **Smallville: The Official Companion Season 7** Craig Byrne

“Earth is my home. Everyone I love, everyone I care about is here. It’s where I belong.” – *Clark Kent*

*Smallville*, the hit series which follows the adventures of a young Clark Kent and his friends – including Lana Lang, Lex Luthor, Lois Lane, Jimmy Olsen and now Kara Kent aka Super Girl – is one of the hottest shows on TV. This volume of the authorized companion series covers the making of season seven, and is packed with cast and crew interviews, unseen pictures, behind-the-scenes stories and a comprehensive episode guide. Also included are excerpts from the *Daily Planet* and Chloe’s private blog! Plus in-depth sections on the making of the episodes ‘Action’, ‘Siren’ and ‘Veritas’, as well as a stunning 16-page color photo gallery!

Author Craig Byrne unlocks the secrets of *Smallville*’s fantastic seventh year, complete with a Foreword by Super Girl herself, Laura Vandervoort.

“Deftly mixing elements of young-adult soap, family drama and comic-book fanboy action... the series ranks as one of those rare TV commodities: A true unsung hero.” - *Variety*

Praise for previous *Smallville* companions:

“If you’re a fan of *Smallville*, then you ought to have this book in your collection” - *Sci Fi Crow’s Nest*
