The Image and Role of the Librarian (Reference Librarian)

Linda S Katz

The Image and Role of the Librarian (Reference Librarian) Linda S Katz

Get a unique insight into the image problems librarians face!

The Image and Role of the Librarian addresses all aspects of professional identity for librarians, including professional roles, cultural images, popular perceptions, and future trends. The book examines historical representations, stereotypes, and popular culture icons and the role each plays in the relationship between librarian and patron. The book also looks at the profound impact the Internet has had on the services librarians provide and how electronic resources have transformed the roles and responsibilities of librarians.

From the Editors: “There seems to be no profession as preoccupied with self-examination as that of librarianship. While some of it may stem from an identity crisis, the refrain heard over and over is startlingly similar to Rodney Dangerfield's 'I don't get no respect.' This seems to be true of all types of librarians—from public librarians who (often rightly) complain of being treated like servants by the patrons they serve, to the academic librarians who are always trying to establish their 'faculty-ness' to the teaching professors.”

Topics addressed in The Image and Role of the Librarian include:

- public, student, and faculty perceptions of librarians
- cinematic portrayals of librarians
- images of librarians in comic books
- librarians in children's literature
- male librarian stereotypes
- “know-it-all” librarians
- changing roles for specialty librarians
- Generation X and the future of librarianship
- and much more!

From reader reviews:

Warren Matt:

What do you concentrate on book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that concern above. Every person has various personality and hobby for each other. Don't to be pushed someone or something that they don't would like to do that. You must know how great in addition to important the book The Image and Role of the Librarian (Reference Librarian). All type of book could you see on many sources. You can look for the internet resources or other social media.

John Oliver:

Your reading 6th sense will not betray you actually, why because this The Image and Role of the Librarian (Reference Librarian) publication written by well-known writer whose to say well how to make book which might be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your own personal hunger then you still skepticism The Image and Role of the Librarian (Reference Librarian) as good book not merely by the cover but also by content. This is one reserve that can break don't assess book by its cover, so do you still needing yet another sixth sense to pick that!? Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

Mary Cruz:

What is your hobby? Have you heard this question when you got college students? We believe that that concern was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person just like reading or as looking at become their hobby. You need to know that reading is very important as well as book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You find good news or update about something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is actually The Image and Role of the Librarian (Reference Librarian).

Shelley Gavin:

Many people said that they feel bored stiff when they reading a e-book. They are directly felt the idea when they get a half parts of the book. You can choose the particular book The Image and Role of the Librarian (Reference Librarian) to make your reading is interesting. Your personal skill of reading proficiency is developing when you including reading. Try to choose simple book to make you enjoy to see it and mingle the impression about book and examining especially. It is to be 1st opinion for you to like to available a book and study it. Beside that the e-book The Image and Role of the Librarian (Reference Librarian) can to be a newly purchased friend when you're sense alone and confuse with the information must you're doing of this time.
