Vanished Johnathan Bishop

A long drive, a forest fire and herd of deer caused her to be here. The world had been such an ugly place to live in from day to day. Now Serene finds herself at the hands of a man that has plans for her, and as far as the world knows, she died in the forest fire. His calm voice and allure almost frightens her as he explains the situation, but something there intrigues her just the same. What fate awaits her at the ends of this journey, and will she ever be the same again?
