The author of the powerful, best-selling novel *The Forgiving Hour* is back with another stirring journey into the heart of a woman. As the reluctant newest resident of her grandmother Sophia's Golden T ranch, pampered socialite Karen Butler wants nothing more than to return to L.A. But there's no going back to the past. Her father is dead. Her family home has been sold. Her finances and options are exhausted. And her hope is gone.

Also living at the broken-down ranch is Dusty Stoddard, who operates a summer camp there for troubled teens. In this strange setting, far from everything familiar, Karen is surrounded by people who love God and seek to serve Him. She yearns to escape, to return to her old way of life. Yet the call to her heart is unmistakable. And in the old diaries of a woman who died twenty-eight years before she was born, Karen will discover hidden secrets and amazing truths that will cause her to finally find a way to the greatest love of all.

Powerfully illustrating that God does have a plan for each person's life and can use every individual to fulfill His purposes, *Whispers from Yesterday* offers a dramatic story of healing, hope, and God's glorious compassion.
