Argentina 1:2,000,000 Travel Map, waterproof, GPS-compatible, 2012 edition REISE

This map is waterproof and tear-resistant, highly durable in tropical conditions, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information.

The map divides Argentina north / south with an overlap between the sides. The north-eastern corner with the Misiones province and the Iguazu Falls is shown as an inset. Coverage of the southern half of the country includes the Chilean side of the Andes and the Magellan Straights.

Altitude colouring with contours and peak heights presents topography. Swamps salt flats and glaciers are also marked. Road network includes selected local tracks and indicates driving distances on main routes. Railway lines are included and local airports are marked. National parks and other protected areas are highlighted and a range of symbols mark various places of interest including selected campsites, beaches, vineyards, etc. Latitude and longitude lines are drawn at intervals of 1°. The map has an extensive index of localities, with a separate list of national parks and protected areas. Multilingual legend includes English, high quality German cartography.

This map has been very popular under the Rough Guide imprint, now discontinued. The REISE version is the updated original.
