**Packing the Court: The Rise of Judicial Power and the Coming Crisis of the Supreme Court** James Macgregor Burns

**From renowned political theorist James MacGregor Burns, an incisive critique of the overreaching power of an ideological Supreme Court**

For decades, Pulitzer Prize-winner James MacGregor Burns has been one of the great masters of the study of power and leadership in America. In *Packing the Court*, he turns his eye to the U.S. Supreme Court, an institution that he believes has become more powerful, and more partisan, than the founding fathers ever intended. In a compelling and provocative narrative, Burns reveals how the Supreme Court has served as a reactionary force in American politics at critical moments throughout the nation's history, and concludes with a bold proposal to rein in the court's power.
