Brilliant and beautiful Laura Caldwell is ready to begin a second chapter in her life with her new spouse in a Cayman Islands paradise, free from the enemies of the past--or so she thinks. . .

From avenging her father's death to bringing down Philadelphia's most corrupt families, gutsy financial genius Laura Caldwell has finally found the tranquil life she's long been seeking. Ensconced in a luxurious island villa, newlyweds Laura and James have retired from the business of ridding the world of violence and deceit. With their enemies either behind bars or dead, and Laura's bank account in the millions, their days are now filled with love, family, and leisure. But when they get a tip about a brutal killing back home in Philly, they know it is a matter of time before their enemies come after them for revenge. . .
