## **The Law of Attraction: Fifteen Historic Perspectives** Napoleon Hill

Here are the writers that inspired the likes of Jerry and Esther Hicks, Michael J. Losier, and Rhonda Byrne. Long before 'The Secret' and 'The Law of Attraction' were written, these fifteen authors were writing about the Law of Attraction and the power of positive thinking. Their words ring as true today as when they were first written. These are the giants of the New Thought movement, upon whose shoulders the current crop of self help writers stand. With this book you will get masterful perspectives on The Law of Attraction and the power of positive thinking to manifest the things that you want in your life. Included here are Genevieve Behrend, Elizabeth Towne, Prentice Mulford, William Walker Atkinson, Earnest Holmes, Wallace D. Wattles, James Allen, Ralph Waldo Trine, Orison Swett Marden, Thomas Troward, Joseph Murphy, Charles F. Haanel, Robert Collier, Theron Q. Dumont, and Napoleon Hill.
