In 1920s New Orleans, Raziela Nolan's magnificent love affair is interrupted by her untimely and tragic death. Immediately after, she chooses to stay *between* -- a realm that exists after life and before whatever lies beyond it. From this remarkable vantage point, Razi narrates the story of her lost love as well as of the relationship of Amy and Scott, a young couple whose house she haunts seventy years later. It is their own troubled story that finally compels Razi to slowly unravel the mystery of what happened to her first and only passion, Andrew, and to confront a long-hidden secret.

*The Mercy of Thin Air* entwines two heartbreakingly redemptive love stories that echo across three generations and culminates in a finish that will leave readers breathless. It is a poignant and brilliant first novel that beautifully captures the nature of love and shows how it transcends all barriers -- even death.
