A Thunderous Voice Chris Martin

Much of what has been portrayed concerning John the Baptist and his message of repentance is that he was a wild man, a loose canon who lived in caves, never combed his hair or brushed his teeth, and would yell at the top of his lungs, 'Repent, you sinners!' In *A Thunderous Voice*, author Chris Martin uncovers the truth about John and discusses how John's message of repentance is different from warnings of hellfire and brimstone preached on street corners and even some pulpits around the world. Repentance is a gift that God has granted us for the forgiveness of sins and is not some type of guilt-ridden, man-made condemnation. *A Thunderous Voice* is an insightful look into the reality that repentance goes hand in hand with a heart attitude, an action, and a blessing from God. Understanding true repentance will ultimately change the way believers think about and respond to God's grace and mercy so that we can all walk in the freedom that Christ purchased on the cross for his children. This new and profound truth will empower anyone searching for hope and reconciliation, enriching the lives of those who desire to shout with *A Thunderous Voice* to God.
