Since the turn of the century, we have seen hopes of a new era of peace shattered by the 9/11 attack on the US. We have witnessed the US become embroiled in a divisive and seemingly unwinnable war in Iraq.. We have looked on as new nuclear rivalries have sprung up with Iran and North Korea. We have also seen Europe struggle to define its place in the New World Order. And we have observed the balance of world focus shift towards China and India as they have continued their unprecedented economic rise.

What is the significance of all of this? Are these random events or is there an underlying pattern? What is required of leaders and individuals to propel the world in a more positive direction? The *Master Strategist* provides the means to decipher these changes, offering unique insights into the issues and patterns that are defining the future, and pointing the way to strategies for a freer and more peaceful and prosperous world.
