The One-Eyed Giant

Anne Rockwell

The One-Eyed Giant Anne Rockwell

Monsters have played an important role in the myths of all cultures. "Everywhere in the world people have imaged monsters, made up stories about them, and tried, in art, to show us what they looked like," Anne Rockwell writes in her Author's Note.

In the timeless tradition of storytelling, she retells ten of the ancient tales from Greek mythology. Her straightforward, simple prose and brilliant illustrations bring to life such famous monsters as Polyphemus, the one-eyed Cyclops; the Gorgon Medusa, with hair made of snakes; and the Minotaur, with a human body and a bull's head.

The fresh retelling and glowing illustrations add up to a gem of a picture book for parents and children to enjoy together. "With descriptive yet concise language, each one- or two-page retelling of the 10 myths in this collection captures the spirit of the tale....This book complements Rockwell's *Robber Baby* with the addition of some of the less familiar characters, including the Hydra, the Cyclopedes, the Graiae, Medusa, and the Minotaur. It will be satisfying read-aloud for families as well as a welcome classroom addition."--
Library Journal.

From reader reviews:

David Veal:

Here thing why this particular The One-Eyed Giant are different and reliable to be yours. First of all looking at a book is good nevertheless it depends in the content of the usb ports which is the content is as scrumptious as food or not. The One-Eyed Giant giving you information deeper including different ways, you can find any publication out there but there is no publication that similar with The One-Eyed Giant. It gives you thrill looking at journey, its open up your current eyes about the thing which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in park, café, or even in your method home by train. In case you are having difficulties in bringing the paper book maybe the form of The One-Eyed Giant in e-book can be your choice.

Robert Monson:

Playing with family in a park, coming to see the marine world or hanging out with close friends is thing that usually you will have done when you have spare time, then why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The One-Eyed Giant, you can enjoy both. It is great combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't get it, oh come on its called reading friends.

Millard Espinoza:

Your reading 6th sense will not betray an individual, why because this The One-Eyed Giant e-book written by well-known writer who knows well how to make book that can be understand by anyone who read the book. Written throughout good manner for you, leaking every ideas and producing skill only for eliminate your personal hunger then you still doubt The One-Eyed Giant as good book not simply by the cover but also by content. This is one guide that can break don't assess book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Andrew Leavens:

Is it an individual who having spare time subsequently spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This The One-Eyed Giant can be the answer, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these publications have than the others?
