The Wrong Kind of Money: A Novel Stephen Birmingham

A gripping novel of dark family secrets, bigotry, lust, and lies set in the world of the phenomenally wealthy

The Liebling family is among the wealthiest in New York, but in the eyes of “old money” gentile aristocrats like the patrician Van Degans, they will always be lower-class Jewish *nouveau riche*—especially since it’s common knowledge that patriarch Jules Liebling built the powerful Ingraham Corporation from the profits he made selling liquor during Prohibition while in cahoots with dangerous mobsters. Jules is long dead and his widow, Hannah, runs the business with a tyrannical hand. Hannah is reluctant to turn over the reins to the heir apparent, her capable son Noah, despite the fact that she is now well into her eighties.

But when Noah’s wife, Carol, meets Georgette Van Degan for lunch at Le Cirque, gossip circulates around Manhattan about a thaw between the families and, quite possibly, a partnership. As rumors fly, family skeletons on both sides are exposed, leading to jealousy, betrayal, and even violence. Author Stephen Birmingham explores the dark side of wealth, family, and privilege in *The Wrong Kind of Money*, brilliantly displaying his phenomenal storytelling skill along with his intimate knowledge of the lives of America’s aristocrats.
