## 123 Si!: An Artistic Counting Book in English and Spanish

What better way to learn how to count than with eye-catching works of art? From fanciful folk Mexican puppets, Egyptian eyes, and lively masks to golden antiquities, Olmec era sculpture, and European paintings, children will become armchair world travelers while being introduced to the world of art and learning how to count from one to ten. This bilingual edition also introduces children at a young age to both English and Spanish.

Art for this book was selected from the collection of the San Antonio Museum of Art, one of the leading art museums in the United States with a collection spanning a broad range of history and world cultures.
