## **A Visão Teosófica das Origens do Homem (Portuguese Edition) Annie Besant**

Esta obra é produto de pesquisas feitas pelos autores, ambos dotados de faculdades extrassensoriais, segundo a moderna terminologia parapsicológica. Trata-se de uma obra original, séria, que procura pôr ao alcance do leitor o passado e o futuro do nosso mundo e da humanidade que o povoa, abrangendo até mesmo seus períodos pré e pós-históricos e mostrando que todo este conjunto segue e obedece a um esquema superior, maravilhosamente delineado e executado pela infalível Sabedoria Divina. Nesta época tão conturbada da humanidade, este livro nos habilita não só a obter uma visão telescópica do passado e do futuro do mundo, mas também a acompanhar o desenrolar dos dramas e tragédias kármicas que atualmente vivem todos os povos. E por um novo prisma nos ajuda a compreender que no fundo desse aparente caleidoscópio atua uma serena Lei, justa e onipotente, que infalivelmente conduz a alma humana a um destino cuja glória é comumente inconcebível pela acanhada imaginação do homem.
