Cidades criativas (Memória e Sociedade) (Portuguese Edition) Ana Carla Fonseca Reis

Símbolos que sintetizam e cristalizam a civilização, as cidades revelam-se como estruturas cada vez mais complexas e dinâmicas. Ao mesmo tempo em que são influenciadas tanto pelo homem quanto pela geografia, também exercem uma influência irresistível sobre o que acontece em seus limites, contribuindo para a própria formação da identidade de sua população. O estudo das cidades se revela como estudo da própria humanidade. E no atual contexto desse início de milênio, esse conhecimento torna-se essencial na medida em que a partir dele é que se poderão traçar os caminhos para a evolução que é cada dia mais urgente. Ana Carla Fonseca Reis levanta essa discussão sob a luz da economia criativa e seus desdobramentos nas diversas áreas que são englobadas pelo conceito de cidade.
