Maximize the power of the number-one desktop publishing tool

This full-color guide shows you how to use the undisputed leader in desktop publishing tools to create any type of publication. Adobe Community Expert Donna Baker explains text, image, and drawing features; color and color management; and specialized types of output such as book and Web pages. The final chapters of the book are devoted to methods for evaluating and testing a publication and then generating high-quality print or PDF files.

This book focuses on using program workflows for results instead of merely touring program interface elements. Examples from the book, including publications, settings, files, images, and templates, will be available for download.
