Prom Date Diane Hoh

As prom approaches, a killer targets the most popular girls in school

Margaret Dunne's afternoon job at her mother's dress shop is usually tranquil, but in the weeks leading up to prom, her work is nonstop. She wouldn't mind helping the popular girls try on dresses if she had a date too, but boys hardly look at Margaret. After a particularly grueling day taking abuse from three popular girls, Margaret finds a strange package in the alley behind the shop. Inside are the three girls' dresses—mangled, muddied, and completely ruined. Plenty of people hate the popular clique, but why take it out on their prom dresses?

A few days later, Margaret sneaks off from the senior picnic to enjoy the view from the old lighthouse. A scream pierces the air, and Margaret sees one of the popular girls, Stephanie, dead at the bottom of a cliff. It seems someone at her school has her eye on Stephanie's perfect date, and will kill to get her hands on him.

This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.
