## Ethical Wisdom for Friends Mark Matousek

As imperfect human beings, we often face ethical and moral challenges as we relate with others on a daily basis, be it with our office mates, our Facebook friends, or our best friend since grade school. In this riveting and insightful tour of the meaning and purpose of connection, Matousek draws from personal experience, interviews, and letters from readers to provide a reservoir rich in wisdom about friendship, commitment, honesty, greed, jealousy, loyalty, competition, imitation, abandonment, and reconciliation. In twenty-four succinct essays, each followed by thought-provoking questions, he examines a plethora of moral dilemmas.

Backed by scientific evidence, interviews with experts, philosophical teachings, and psychological insight, *Ethical Wisdom for Friends* is a simple, edifying, and entertaining look at these concepts for everyday seekers who are more interested in hands-on advice than abstract information.
