## Icy Sparks Gwyn Hyman Rubio

Rural Kentucky in the 1950s is not an easy place to grow up, and it's especially hard for 10-year-old Icy Sparks, an orphan suffering from undiagnosed Tourette Syndrome, who lives with her grandparents. Icy's adolescence is marred by the humiliation of her illness. Its all-too-visible signs are the source of endless mystery and hilarity as everyone around her offers an opinion about what's troubling the girl. Eventually, Icy finds solace in the company of Miss Emily, an obese woman who knows what it's like to be an outcast in this tight-knit community. Narrated by now-grown Icy, this novel shimmers with warmth and humor as it recounts a young girl's painful and poignant journey into womanhood - and the many lives she touches and enriches along the way.
