Jesus the Man & His Message

Jesus the Man & His Message Donald Bridge

What was Jesus really like? What impact did he make on the circumstances and culture of his time? What is it about Him that identifies Him both as a unique Saviour and the greatest example of gospel communication? Donald Bridge challenges the way we view Jesus, and our portrayal of Him to the world around us. He argues that walking with Jesus today means reading his words, welcoming the impact of His personality, embracing the provision He makes for us and sharing His good news with others. Donald Bridge combines a lifetime of study of the gospel with an intimate knowledge of the land where Jesus lived and taught.
