## Lazarillo de Tormes (Spanish Edition) Anónimo

Este ebook presenta "Lazarillo de Tormes ", con un sumario dinámico y detallado. La vida de Lazarillo de Tormes y de sus fortunas y adversidades, más conocida como Lazarillo de Tormes, es una novela española anónima, cuya edición conocida más antigua data de 1554.

El Lazarillo de Tormes es una novela del tipo picaresca aparecida por allá en una España sumergida en literatura de caballeros y espadachines románticos. A la obra nunca se le conoció su autor, quien posiblemente prefirió permanecer en el anonimato por el tipo de crítica que hacía al clero. Y en efecto, esta obra fue prohibida por el estado español y catalogada por la inquisición dentro del Índice del Purgatorio. No fue hasta 1573 cuando se autorizó su publicación con la omisión de los capítulos cuatro y cinco, así como algunos párrafos de otros capítulos que la Santa Inquisición decidió censurar.

El protagonista Lázaro narra sus desventuras en una mordaz historia, llena de humor, que muestra las condiciones de vida de la época. Estuvo al servicio de un ciego, un clérigo, un escudero, un fraile, un bulero, un capellán y un alguacil. Con todos ellos pasó situaciones imperdibles, que nos acercan de una manera inolvidable a la España de la época.
