**No More Play: Conversations on Urban Speculation in Los Angeles and Beyond** Michael Maltzan

In *No More Play: Conversations on Urban Speculation in Los Angeles and Beyond*, American architect Michael Maltzan traces the transformations that have taken place in the city of Los Angeles since the early 1990s. Through a series of conversations with the city's leading artists and intellectuals, Maltzan explores such issues as real-estate speculation and future urban development, infrastructure, resources, site density, urban experience, political structure, commerce and community, attempting to transform our understanding of how each affects present-day Los Angeles. Intended to facilitate further dialogue on how to define the "City of Angels" at a moment when its identity is in significant flux, *No More Play* includes contributions by Iwan Baan, Catherine Opie, Sarah Whiting, Charles Waldheim, Matthew Coolidge, Geoff Manaugh, Mirko Zardini, Edward Soja, James Flanigan, Charles Jencks and Qingyun Ma.
