Outsourced

Dave Zeltserman

Outsourced Dave Zeltserman

Following on from his ultra noir trilogy - *Small Crimes*, *Pariah* and *Killer* - is *Outsourced*, Zeltserman's most commercial book to date. A classic heist thriller pitched somewhere between *Ocean's Eleven* and *Dog Day Afternoon*, it's the story of a group of software engineers who lose their jobs due to an industry push to outsourcing. Desperate, and seeing their middle class lives crumbling apart, they come up with a brilliant plan to use their computing skills to rob a bank. But not even a systems analyst can foresee every eventuality, so the group falls foul of the Russian Mafia.

Movie rights have already been sold to *Outsourced*. The film will be produced by the team behind the hugely successful *Resident Evil* films.
