The German Army on the Western Front 1917-1918 (Images of War)

David Bilton

The German Army on the Western Front 1917-1918 (Images of War) David Bilton

This highly illustrated book covers the German retreat from the Somme, through the defensive battles of 1917, the Kaiserschlacht (Kaiser's Battle) of early 1918, to the final Allied offensive from August to the end of the War. The post-Armistice events are also covered as the implications of defeat sunk in on an exhausted nation and its shattered army. Each phase is analysed from the German point of view giving an original angle. The photographs vividly demonstrate life and events both at the front line in the trenches as well as in the rear echelons. This book will appeal to a wide spectrum of readers. Its highly illustrated nature is ideal for the general reader while its rare photographs and unusual angle will make it collectable by the more specialist reader.
