The Nation in History: Historiographical Debates about Ethnicity and Nationalism

Anthony D. Smith

The Nation in History: Historiographical Debates about Ethnicity and Nationalism Anthony D. Smith
In this thought-provoking new book, Anthony Smith analyses key debates between historians and social scientists on the role of nations and nationalism in history.

In a wide-ranging analysis of the work of historians, sociologists, political scientists and others, he argues that there are three key issues which have shaped debates in this field: first, the nature and origin of nations and nationalism; second, the antiquity or modernity of nations and nationalism; and third, the role of nations and nationalism in historical, and especially recent, social change.

Anthony Smith provides an incisive critique of the debate between modernists, perennialists and primordialists over the origins, development and contemporary significance of nations and nationalism. Drawing on a wide range of examples from antiquity and the medieval epoch, as well as the modern world, he develops a distinctive ethnosymbolic account of nations and nationalism.

This important book by one of the world's leading authorities on nationalism and ethnicity will be of particular interest to students and scholars in history, sociology and politics.

Tom Tucker:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Nation in History: Historiographical Debates

about Ethnicity and Nationalism can make you feel more interested to read.
