Tian Yuan Tan, Paolo Santangelo

Passion, Romance, and "Qing" (3 Vols.): The World of Emotions and States of Mind in "Peony Pavilion" (Emotions and States of Mind in East Asia) Tian Yuan Tan, Paolo Santangelo

"Passion, Love, and Qing" examines the vitality of "Peony Pavilion," the most famous drama in Ming China (1368-1644), through four essays (by Isabella Falaschi, Paolo Santangelo, Tian Yuan Tan, and Rossella Ferrari) and an extensive Glossary of specific terms and expressions related to the representation of emotions and states of mind. It explores the evolution and permanence of the universal message about passion or emotions contained in the language of the play. Written in the late Ming, "Peony Pavilion" embodies the new trends in the cult of passions and new sensibility of the times. It is also a rich intertext of love that both inherits the legacy of earlier literary traditions and influences later amatory literature and theatrical performances. Accompanying video material to the work can be found "here."¹¹
