## What Came First Carol Snow

**First comes love, then comes marriage, then . . . things can get a little complicated.**

Vanessa wants just one thing for her twenty-ninth birthday: an engagement ring from her longtime boyfriend, Eric. But when the ring turns out to be a mix CD and Eric turns out to be a guy who doesn't want to get married or have children, Vanessa considers a new path to having a family.

When Wendy and her husband, Darren, couldn't have children the old- fashioned way, a sperm donor seemed like the perfect solution. She never imagined she'd have out-of-control twins who'd drive her to cookie binges and scrapbooking while Darren escaped into the virtual world of computer games.

Single and career-driven, Laura didn't need a man to have a baby - at least not one that she ever met. Thanks to an anonymous donor, she shares her life with her adored eight-year-old son, Ian. She'll do anything for Ian - even fill their backyard with a bunch of noisy chickens. But the one thing Ian really wants is something Laura's never been able to give him: a sibling.

Now, to grant Ian's wish, Laura starts a search that will not only change her life but Vanessa's and Wendy's as well...

### From reader reviews:

#### Denise Dennis:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each publication has different aim as well as goal; it means that guide has different type. Some people sense enjoy to spend their time and energy to read a book. They are reading whatever they take because their hobby is actually reading a book. Consider the person who don't like reading a book? Sometime, man feel need book once they found difficult problem or exercise. Well, probably you will require this What Came First.

#### Felix Talarico:

A lot of people always spent their particular free time to vacation as well as go to the outside with them family members or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity that is look different you can read a new book. It is really fun for you personally. If you enjoy the book you read you can spent all day long to reading a reserve. The book What Came First it is quite good to read. There are a lot of those who recommended this book. They were enjoying reading this book. In case you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore easily to read this book out of your smart phone. The price is not to fund but this book has high quality.

#### Daniel Campbell:

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, then why you don't try factor that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love What Came First, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't get it, oh come on its called reading friends.

#### David Fern:

Reading a book for being new life style in this 12 months; every people loves to read a book. When you learn a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, as well as soon. The What Came First will give you a new experience in studying a book.
