Alcohol Use Among Adolescents (Developmental Clinical Psychology and Psychiatry)

Michael Windle

Alcohol Use Among Adolescents (Developmental Clinical Psychology and Psychiatry) Michael Windle
Covering the latest research and literature on the use of alcohol by adolescents, this concise book provides leads for understanding its aetiology and effective interventions, as well as pointing to future lines of research.

Topics covered include: an introduction to the scope of issues related to alcohol use; a review of approaches to the measurement of alcohol-related behaviours among adolescents; and social policy interventions and major conceptual and methodological issues that need to be addressed. The book at once conveys the significance of adolescent alcohol use as a social and clinical problem but also points to promising leads for its amelioration.
