The Silent History: A Novel

Eli Horowitz, Matthew Derby, Kevin Moffett

The Silent History: A Novel Eli Horowitz, Matthew Derby, Kevin Moffett

A generation of children forced to live without words.

It begins as a statistical oddity: a spike in children born with acute speech delays. Physically normal in every way, these children never speak and do not respond to speech; they don't learn to read, don't learn to write. As the number of cases grows to an epidemic level, theories spread. Maybe it's related to a popular antidepressant; maybe it's environmental. Or maybe these children have special skills all their own.

The Silent History unfolds in a series of brief testimonials from parents, teachers, friends, doctors, cult leaders, profiteers, and impostors (everyone except, of course, the children themselves), documenting the growth of the so-called silent community into an elusive, enigmatic force in itself—alluring to some, threatening to others. Both a bold storytelling experiment and a propulsive reading experience, Eli Horowitz, Matthew Derby, and Kevin Moffett's *The Silent History* is at once thrilling, timely, and timeless.
