True love takes a twisted turn in the second book of this modern gothic romance trilogy that channels the dark brilliance of Edgar Allan Poe.

While Varen remains a prisoner in a perilous dream world where the terrifying stories of Edgar Allan Poe come to life, Isobel travels to Baltimore to confront the dark figure known throughout the world as the Poe Toaster. This man, the same man who once appeared to Isobel in her dreams and abandoned her in Varen's nightmare world, holds the key to saving Varen.

But when Isobel discovers a way to return to this dream world, she finds herself swept up in a realm that not only holds remnants of Edgar Allan Poe's presence, but one that has taken on the characteristics of Varen's innermost self. It is a dark world of fear, terror, and anger.

When Isobel once more encounters Varen, she finds him changed. And now Isobel must face a new adversary—one who also happens to be her greatest love.
