As the child in this story watches her mother and father work with their hands, she knows she wants to build and sew and garden and paint just like they do. All she needs is a special place to work, lots of good materials--and plenty of encouragement. With these tools, she is able to make the most wonderful things.

From Caldecott Honor-winning artist Lois Ehlert, here is a book for anyone, young or old, a book that celebrates the importance of nurturing the creative spirit within us all.
