**Knights of the Round Table: Lancelot** Gwen Rowley

**Strong and powerful warriors of nobility and honor, the Knights of the Round Table fought for kings, rescued damsels, and undertook dangerous quests. But true love may be the most perilous quest of all...**

*Sir Lancelot, First Knight of King Arthur's realm and the Queen's champion, cannot be defeated by any earthly man—as long as he keeps his oaths to Arthur and Guinevere. Though arrogant and supremely confident, he will be brought to his knees by a mere maiden: Elaine of Corbenic. Together, they will have a son, Galahad—the knight destined to find the Holy Grail.*

Lancelot du Lac is the greatest knight of a peerless age, blessed by the Lady of the Lake with extraordinary military prowess. His fighting ability has earned him a place at King Arthur's side, but the powers the Lady has given him come with a terrible price.

Elaine of Corbenic is struggling to hold her impoverished family together. The keep is a wreck and the peasants, starving, are on the brink of rebellion. Elaine's father is obsessed with finding the Holy Grail, and her older brother, maimed by Lancelot in a joust, is a bitter drunkard. Without a dowry, she has little hope for the future.

Incognito, Lancelot rides into Corbenic on his way to the king's tournament. He finds the practical Elaine irresistible. Thoroughly dismayed when she reveals her contempt for "Lancelot," he must face his own arrogance to win her hand. For only with Elaine at his side will Lancelot have the strength to free himself from the enchantments that bind him...
